The Stage in Books.

There have been many young girls ready to believe as gospel truth anything they saw in a book, and the more innocent, the less suited they were to analyze the statements made in these inconsequent tales. They only saw that by way of the theater any pretty girl in poverty, in trouble, could in the briefest time become great, powerful and wealthy. No word was said of the long toil in obscurity the yearning for reagnition, the perpetual disappointment, the thousand hopes always withering like leaves before frost, the wretched life proverty of struggles against num. in poverty; of struggles against numbers and perhaps jealousy and malice, of slow increase of salary, of equal increase of expense. The old-time novelist was silent as to all these, and only dealt in large and vague splendors—never adequately accounted for.

Eureka, Jan. 23.-The preliminary hearing of Charles Peterson, charged with murder in the first degree for the killing of John Backman, was held here today before Judge Burns, the defendant being bound over to the District court. This is the second charge of murder for which Peterson must stand trial.

While trying to keep order at a dance here on Christmas night Peterson shot John Brackman and John Eastman. The shooting of Eastman, who died almost instantly, was accidental, the weapon being discharged while Peterson and Herman Backman were struggling for its possession. John Backman was af-terwards shot in the hip by Peterson, the wound proving fatal.

## WHAT'LL M'CAWLEY DO

Supreme Court Justices Complain to President.

Washington, Jan 23 .- Among the first callers on the President today were Chief Justice Fuller and Associate Justice Harlan of the Supreme court of the United States.

While they declined to discuss the object of their visit, it is known that they brought to the President's attention the matter of their treatment by Maj. Mc-Cawley at the President's reception to the judiciary. It is understood that they resent Maj. McCawley's action in giving some members of the diplomatic corps precedence over theim in the line passing before President and Mrs.

They hold the action to have been unprecedented and in the circumstances unwarranted. Subsequent to the con-ference with the President the two jurists stood in front of the executive offices chatting animatedly for a time.

Chief Justice Fuller then went to the State department. Maj. McCawley defends the position he assumed by urging that, as guests of the nation, the diplomats were en-titled to precedence in the line, irrespective of the fact that the reception was primarily to the judiciary.

> To Prove What the Great Kidney Remedy, Swamp-Root, Will Do for YOU, Every Reader of The Tribune May Have a Sample Bottle Sent Absolutely Free by Mail.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood-that

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected, and how every organ seems to fall to do its duty. If you are sick or "feel badly," begin taking

the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys begin to get better they will help all the other organs to health. A trial will convince any one.

I cheerfully recommend and indorse the Great Remedy, Dr. Kilmer's Swamp-Root, for kidney trouble and bad liver. I have used it and derived great benefit from it. I believe it has cured me entirely of kidney and liver trouble, from which I suffered terribly.

Most gratefully yours, A. R. Reynolds, Chief of Police Columbus, Go.

Weak and unhealthy kidneys are responsible for many kinds of diseases, and if permitted to continue much suffering and fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sleepless and irritable. Makes you pass water often during the day and obliges you to get up many times during the night. Unhealthy kidneys cause rheumatism, gravel, catarrh of the bladder, pain or dull ache in the back, joints and muscles; make your head ache and back ache, cause indigestion, stomach and liver trouble, you get a sallow, yellow complexion, make you feel as though you had heart trouble; you may have plenty of ambition but no strength; get weak and waste away.

The cure for these troubles is Dr. Kilmer's Swamp-Root, the world-famous new remedy. In taking Swamp-Root you afford natural belp to Nature, for Swamp-Root is the most perfect healer and gentle aid to the kidneys that is known to medical science.

How to Find Out

If there is any doubt in your mind as to your condition, take from your urine on rising about four ounces, place it in a glass or bottle, and let it stand twenty-four hours. If on examination it is milky or cloudy, if there is a brick-dust settling, or if small particles float about in it. your kidneys are in need of immediate attention.

Swamp-Root is pleasant to take and is used in the leading hospitals, recommended by physiclans in their private practice, and is taken by doctors themselves who have kidney allments, because they recognize in it the greatest and most successful remedy for kidney, liver and
